

Berea Community Learning Farm

2023 Growing Season

Farm Plot Order Form

Please sign me up for a

- Youth Plot (5x3) for \$15.00
- Individual Plot (10x3) for \$30.00
- Family Plot (15x3) for \$40.00

Plots are free for those who qualify for free/reduce lunches through the school district.

Important: Please read the Plot Rules before you sign up!

- I want to volunteer with the farm!
Please explain what time and talents you are willing to offer the farm. All are welcome!

Farm Amenities

- Our rain barrels capture rainwater from the roof of the barn to be used for watering your garden. Watering cans are available. We will **NOT** be using drip irrigation this year.
- Access to basic tools for gardening and weeding (to be shared on site in our tool shed).
- Access to information on best organic gardening practices. We offer a yearly orientation program to help you get the most from your plot. Orientations start after March 15.
- Access to starter plants to all owners. Individuals will get at least:
 - 4 Tomato plants
 - 4 other vegetable plants based on availability
 - basil, parsley, kale or other seedlings as available
